What is it: RAGBRAI®, The Register's Annual Great Bicycle Ride Across Iowa®, is an annual seven-day bicycle ride across the state. RAGBRAI is the longest, largest and oldest touring bicycle ride in the world. If you haven't experienced it, you've missed out on the biggest and best ride in the United States. Trust us on this! Each year, the Pella Cycling Club organizes a team of riders and the necessary support for this epic event. If you want to learn more about RAGBRAI, check out the official RAGBRAI web site: www.ragbrai.com.

Why Ride with the Pella Cycling Club?

Support Personnel – at least three dedicated support people to secure overnight locations, provide directions, stock refreshments and munchies, set up site, and other general support functions to make your RAGBRAI experience as pleasant as possible.

Support Vehicles:

1. **Club-owned and operated official support vehicle:** A custom modified school bus with special features such as bulk baggage storage area, kitchen sink with faucet, 170 gal. heated water tank, fold down shower platform, two shower stalls with pressurized water and changing area, awning, and bicycle storage.
2. **Privately-owned vehicle:** “scout vehicle” for RAGBRAI coordinator to secure great overnight sites in RAGBRAI host towns – before the main convoy arrives!

Reasonable Rates – you get all of the above for just \$170 (PCC fees), all week! Depending on your circumstances for travel, it could be less – see the cost breakdown on the RAGBRAI calculator form.

Large enough to be taken seriously, small enough to be friendly! The Pella Cycling Club has a reputation of quality fun! We're constantly thinking about ways to improve and make your experience better. That's why our Support Vehicles are such valuable assets – we have dedicated, knowledgeable members who give their time, expertise and resources to do things right. But we're just the right size to get to know you, and have you get to know us! There's room and respect for your individuality, while graciously accepting you as an important and valuable member of the team. With the wide variety of abilities, interests, and personalities in our club, you'll be sure to find someone as a riding, conversation, or social partner!

We're well-organized – We've been doing this long enough that we know a few tricks. It must be working, because we keep growing. We continue to break our own records for membership and RAGBRAI participation. We might even have a few tricks up our sleeves for this year! But of course, you won't know that unless you come along!
